NEEM POWDERS

Select from our range of food-grade organic powders, bark and drupes (neem fruit). Check out our website to find recipes for teas, pastes, toothpowders, food, and more!

NEEM BABY DUSTING POWDER

100% natural, TALC-FREE, and fragrance-free absorbent powder for nappy rash and chafed areas. Due to the antibacterial, antifungal, anti-yeast and anti-inflammatory properties of Neem it can be used to treat or prevent infections such as athletes foot.

NEEM BARK POWDER has traditionally been used for oral health, heartburn and indigestion, due to its gastro-protective properties. It also used to relieve pain in arthritis.

NEEM LEAF POWDER can be used internally, sprinkled on food or as a drink. Use as a paste to help with acne, psoriasis, eczema, dandruff. It also can be used on pets and around the home to deter insect pests.

ROUGH CUT NEEM LEAF can be used to help with heartburn and bloating. Add to baths or make a poultice to soothe eczema. Make a plant spray or use leaves to deter insects in stored goods.

DRIED NEEM DRUPES (FRUITS)

Traditionally used for treating haemorrhoids, intestinal worms and urinary tract disorders.

Neem Bark and Leaf powders

Neem has temporary contraceptive properties for both genders - use with caution if trying for a baby or pregnant or breast feeding. Neem oil is not intended for internal use.

PRODUCT LIST

FOR PEOPLE

NEEM is our key ingredient. Long used in its native India for a variety of natural remedies. Rich in fatty acids, antioxidants, antifungal and antimicrobial compounds it helps fight skin infections and promote wound healing. Great for hair, skin, and oral care, and even as a natural pesticide.

PURE NEEM OIL

This versatile cold-pressed oil has a high Azadirachtin (Margosa) oil content and can be used for numerous healthcare purposes. Handy to have in your cupboard as a 'go to' for cuts, grazes, spots and bites. An allround cleansing, soothing healing oil.

The Neem leaf has
**ANTI-INFLAMMATORY,
ANTI-BACTERIAL,
ANTI-VIRAL and
ANTI-FUNGAL**
properties

Organic Cold-pressed Neem Oil
